Talking Rock Weekly Updates

From the General Manager

We had a nice weekend on the Ranch Compound with lots of activity culminating in our 1st annual LEAD dinner as over 40 Prescott area law enforcement officers and guests joined us in the Ranch House for dinner. Thanks to all of you that sponsored an officer for dinner and to everyone that purchased raffle tickets throughout the month. The raffle proceeds amounted to over \$1300 in donations to the FOP #19 Prescott.

Members Jeff McLeod, Melanie Clark, Gretchen Johnson, Paula Beck, Jerry Taylor and Randy Clifford were selected to join current Communication Council members Mark Metzinger, Laurie Hubbard, Shirley Lilien, Janet Robbins, Peggy Stair and Cyndi Starr. The Talking Rock Communication Council meets approximately every six months to discuss ideas and methods to enhance both programming and communication at the Club. Initiated in 2009 the Talking Rock Communication Council has played a positive role as a liaison between members, management and the owner as well as being a creative soundboard for new programs and policies. Contact information for all of the Communication Council members is available on the Member Only website.

Our golf course is an attractive venue for a wonderful walk. We do allow members to walk on cart paths only during non-play times in the early morning and late evening. From a safety prospective we do not allow walking on cart paths after the start of play which is currently 10am. Times continue to move earlier as the weather improves. If you are not sure when you can walk contact the golf shop for more information.

This Wednesday we will be turning the water off in COOP's and The Barn Fitness Center from approximately 8am – 12pm for necessary repairs. We apologize for any inconvenience.

Have a great week and as always contact me with any questions or comments at jleisenring@talkingrockclub.com.
