# Talking Rock Weekly Updates

## From the General Manager

Talking Rock's 2nd Annual version of the culinary showdown CHOPPED is scheduled for Sunday, August 24th in the Ranch House. Now is the time for Amateur Chefs to volunteer to go head to head with our own Chef Richard. We also need judges, and foodies to choose the secret ingredients for the baskets. Please [click here](#) for details. As we did last year, we are accepting reservations for the audience, who will enjoy an appetizer buffet while cheering on the contenders.

A reminder that the Ranch House will be CLOSED on Sunday, August 3rd at 2:00 for a wedding. Please plan accordingly.

### Golf Course Notes

#### First Tee Ball Rack

For all early morning play (7:15am – 8:00am) the golf ball rack determines the starting order. When you arrive, place your ball in the rack located next to the putting green. When your ball is the first in line it is your turn to begin play.

### Friendly Reminder.....

Please remember when using a Golf Car on the course that the car needs to remain a minimum of 30 yards from the putting greens. Once you are within the 30 yards, please use the provided golf car path and pull-over parking spot located by each putting green. This will help keep the Golf Course in better shape for those playing and also look better to those passing by. If you see someone else who is driving a little too close; please pass along this friendly reminder. Thank You!
